Addlestone Hebrew Academy Early Childhood Handbook and Discipline Policy

The Parent Handbook is distributed electronically via email and is also available on our website at www.addlestone.org under the Parent Resources section. If you need a printed copy of the handbook, please contact the front office at 571-1105.

Support, behavior modification and discipline are the ongoing processes of helping children to develop inner controls and assume responsibility for their own actions. We accomplish this by setting, explaining and consistently enforcing clear and understandable rules, limits and consequences prior to and as part of any disciplinary action. As much as possible in carrying out discipline, teachers will use firm, positive statements or redirection of behavior. If necessary to help a child gain control, the teacher may remove him/her from the activity or group for a time not to exceed one minute per year of age. Children will have reasonable opportunity to resolve their own conflicts and to have input in adult resolving of conflicts.

At Addlestone, under no circumstances will children be punished for toilet accidents or accidental spills. The following behaviors are prohibited:

- Corporal punishment, including hitting, spanking, beating, shaking, pinching or other measures intended to induce physical pain or fear;
- Threatened or actual withdrawal of food, rest or use of the bathroom;
- Abusive or profane language;
- Any form of public or private humiliation, including threats of physical punishment; and
- Any form of emotional abuse, including shaming, rejecting or isolating a child.

Although discipline problems of children in preschool rarely warrant it, Addlestone Hebrew Academy reserves the right to exclude from the program any child whose behavior seriously disrupts the program or is a danger to him/herself or to others. When a child has a pattern of unacceptable behavior, a meeting will be set up with the parents. The meeting may include the EC Coordinator or another administrator. Further professional intervention may be recommended. Every effort will be made to work with the family to find appropriate means of improving classroom behavior.

I agree to abide by these policies when employed by Addlestone Hebrew Academy.
